Cotton, Companion of the Most Exalted Order of the Star of India, Companion of the Most Eminent Order of the Indian Empire, and a Member of the Indian Civil Service. In the course of a varied and distinguished career extending over thirty-three years, Mr Cotton held a number of important posts both under the Government of India and under the Government of Madras. Under the Government of India he served as Director-General of Commercial Intelligence, Deputy Secretary in the Home Department and finally as Agent to the Governor-General for the Madras States. Returning to Madras in the year 1928 he held the appointment of Secretary to the Government in the Local Self-Government Department, Member of the Board of Revenue, and finally Chief Secretary to the Government. These posts he filled with ability and distinction. Breadth of outlook, freshness of mind and grasp of essentials were the qualities which distinguished his public service, while the geniality of his temperament and charm of his personality made him deservedly popular among all classes, official and non-official, Indian and European.

DEPARTMENT OF AGRICULTURE.

SUGARCANE CROP OF 1931—INTERMEDIATE MONTHLY REPORT.

The condition of the sugarcane crop continues to be satisfactory on the whole and the normal yield can be expected if the present conditions continue.

2 The wholesale prices of jaggery per candy of 500 lb. is reported to have risen in Kistna, Guntur, Nellore, Bellary, Anantapur, Cuddapah, North Arcot, Chittoor and Madura and to have been stationary in the other districts, as compared with the prices reported in August. The present prices are Rs 35 to Rs. 40 in Kistna, Guntur, Nellore, Kurnool, Anantapur and Cuddapah and about Rs. 25 to Rs. 35 in most of the other districts.

COTTON CROP OF 1931-32—INTERMEDIATE MONTHLY REPORT.

Last year's crop.—The yield of the second or summer pickings of the 1930-31 crop was fairly satisfactory in Coimbatore but was below normal in Trichinopoly and the South owing to want of good showers in April and May.

Current year's crop.—The main season for sowings is not yet over in most parts of the Presidency.

In parts of the Deccan, the *mungari* or the early crop suffered for want of subsequent rains.

The wholesale price of cotton lint per bale of 400 lb is reported to be stationary for Cocanadas, to have risen for Northerns, and to have fallen for Westerns as compared with the prices reported in August. The present prices are Rs 72 for Cocanadas, Rs 72 to 83 for Northerns, and Rs 65 to 70 for Westerns.

INDIGO CROP OF 1930-31—FIRST REPORT.

[On an average of the five years ending 1929-30, the area under indigo in the Madras Presidency has represented 55 per cent of the total area under indigo in India.]

The area sown with indigo in the Madras Presidency up to the end of August 1931, is estimated at 28,000 acres or about 21 per cent less than that of last year's area, viz., 35,600 acres. The decrease in area occurs mainly in Kurnool, Cuddapah and the Carnatic, where the area fell from 23,500 acres last year to 15,200 acres.

2. The condition of the crop is generally satisfactory.

3. Figures are not available about the quantity actually converted into dye or ploughed into wet lands as manure. The crop is mostly grown for green manure. If however the entire crop be converted into dye, the yield would work out to 7,500 cwt against 8,760 cwt, estimated at the corresponding date of last year.

4 Figures by districts are given in the statement below :—

Bill to be introduced in the Council of the Governor of Fort St. George assembled for the purpose of making Laws and Regulations.

Under rule 78 of the Madras Legislative Council Rules, the following Bill, together with the Statement of Objects and Reasons, is published for general information :—

BILL No. 21 OF 1931.

A Bill to amend the Madras Gaming Act, 1930, for certain purposes.

Madras Act III of 1930.

WHEREAS it is expedient to amend the Madras Gaming Act, 1930, for the purposes hereinafter appearing ;

AND WHEREAS the previous sanction of the Governor-General has been obtained to the passing of this Act ;

It is hereby enacted as follows :—

Short title.

1. This Act may be called the Madras Gaming (Amendment) Act, 1931.

Amendment of section 5, Madras Act III of 1930

2. Section 5 of the Madras Gaming Act, 1930 (hereinafter referred to as the said Act), shall be renumbered as sub-section (1) of section 5, and to that section as renumbered the following sub-section shall be added, namely :—

"(2) Any Police officer having power to issue a warrant under sub-section (1) may, instead of doing so, himself exercise all or any of the powers exercisable under such warrant."

Amendment of section 6, Madras Act III of 1930.

3. In section 6 of the said Act, after the words "shall be evidence", the words "until the contrary is proved" shall be inserted.

STATEMENT OF OBJECTS AND REASONS

It is not clear from the language of section 5 of the Madras Gaming Act, 1930, whether or not a police officer of and above the rank of a Deputy Superintendent of Police is himself empowered to conduct a search under the Act. The section requires amendment in order to make it clear that the officer authorized to issue the warrant is also empowered to conduct the search himself.

The fact that section 6 as it now stands merely enables instruments of gaming to be used as evidence and creates no statutory presumption against the accused has been commented upon in a judgment of the High Court. In such cases it is generally impracticable to get other evidence as the people found in a common gaming house, who are the only witnesses of the gaming, are themselves offenders. It is clear therefore that if this Act is to be enforced, this section must be strengthened and the proposed amendment achieves this.
